OUR FAMOUS IRISH COFFEE - €5.00

made with Powers gold label Irish whiskey, brown sugar and freshly whipped cream...available all day. The original Irish coffee was 'created' by Joseph Sheridan, in Shannon International airport in the 1940's. Sheridan added Irish whiskey to coffee to warm some passengers who had a flight delay. Later, a travel writer named Stanton Delaplaine brought Irish coffee to the states after tasting it at Shannon airport. It was in the U.S., in the 1950s where the method of floating cream on top was developed
